District Superintendent's Report

District Five Schools of Spartanburg County is home to twelve highly successful, award-winning schools. Located in the center of a vibrant, rapidly growing international business community, we serve over 7,200 students with a staff of over 750. Our mission is to offer opportunities and cultivate excellence in many areas of education. We seek to achieve this mission by presenting students with a wide array of meaningful choices while staffing our schools with the finest professionals and support personnel available.

During the 2008 - 2009 school year, District Five celebrated the opening of two new elementary schools. The Abner Creek Elementary Gators began their inaugural year by "learning with love and laughter." Lyman Elementary began its first year as the Lyman Lions and their "pride is showing." These two new schools were the result of much planning and preparation by the district to accommodate increasing student enrollments. They helped to alleviate overcrowding at our existing elementary schools and allowed for the reconfiguration of grade structures by bringing the fourth grade back into our elementary schools, thus eliminating overcrowding at our intermediate schools.

District Five weathered the economic downturn in our state's economy by relying on fiscally conservative practices. During the year we experienced a series of budget cuts that reduced our state funding by approximately four million dollars. Due to the fiscally conservative management of our district, we were in a position that did not require the elimination of personnel or programs. Although the economic situation remains unstable, District Five will continue to place top priority on classroom instruction and meeting the needs of our children.

Thankfully, District Five continues to enjoy the benefits of enormous family and community support. We appreciate your commitment to our schools and the children of our community. Please continue to work with us as we strive to make District Five the premier district in every aspect of educational excellence.

Dr. Scott Turner, Superintendent
